 Rick and Jeanne Jackson
Gualala, CA

JUN 3, 2018 — Friends of Gualala River, FoGR, and their allies, have filed for a preliminary injunction to stop logging in the floodplain of the Gualala River...again. This is "Dogwood II." Judge Chouteau will be hearing this issue again. If you are in the Santa Rosa area, please join us Wednesday, June 6th at 3 pm Department 18, Sonoma Superior Court, 3055 Cleveland Avenue, Santa Rosa. If not, please keep a good thought that FoGR will continue to prevail. The health of the Gualala River depends on it. We will report back after the hearing. Jeanne Jackson
