

RRFF Donation Application – MS update 02.15.2023

This form is used by club members to sponsor and apply for a charity donation from RRFF funds to a deserving organization which will use it for activities that are consistent with our club objectives:

- To advance, promote, practice and teach the art of angling with artificial flies.
- To encourage the members and fisher persons everywhere to practice the high standards of sportsmanship long associated with fly fishing.
- To promote conservation and protection of wild game fish

The board requires that the sponsor be engaged with the organization/project they are seeking to fund. The board of directors will ask the sponsor to come before the board to discuss the application. The board will evaluate the proposal and decide based on merits and the club’s financial situation.

RRFF Sponsor	\$ requested and when is donation required	Charity Name
Joe Hiney	\$500, by June 2023	Project Healing Waters Fly Fishing (San Francisco)
Location/Region where money would be spent (local is preferred)	Purpose of Charity	Charity Navigator Score (if available)
San Francisco Bay Area	To help veterans with disabilities cope/rehabilitate to life through the healing power of fly fishing.	4 star (National organization, over 200 locations)
What specifically will donation be used for?		
A three-night flyfishing outing/campout on the South Fork of the Tuolumne River is being planned for 9 veterans (includes 3 coaches) on June 13-15. Each day, coaches will divide the group by their physical abilities to hike to various parts of the river for fishing, returning to camp each night. \$500 should cover 1/6 the \$3000 trip costs.		

Describe your experience with the Charity, when this occurred and why you think a donation should be considered. (Add additional page if needed)	<p>Joe has not done this particular outing before. He has done a number of other outings with Healing Waters, one described in the May, 2022 edition of the Cast, page 3. https://www.rrflyfisher.org/the-cast-newsletter.html</p> <p>The Board approved \$550 for that outing.</p>
